The sessions for different themes comprises of Lead paper presentations by distinguished scientists, Young Scientists Presentations and student presentations (Oral / Poster).

### About Acharya N.G. Ranga Agricultural University

Acharya N.G. Ranga Agricultural University was established in the year 1964 and the Diamond Jubilee Celebrations of the University were held in the year 2025 to display its achievements at National and International levels. The University is accredited and awarded as Best Institution by the ICAR. The University has been playing pivotal role in shaping young minds into agricultural professionals and bestowing novel technologies for the crop improvement and production for the benefit of farming community. The Extension system of the University is unique with 13 DAATTC (District Agricultural Advisory and Transfer of Technology Centres) and 13 KVKs to reach the famers effectively in time. The University has seven constituent Agricultural Colleges, six affiliated Agricultural Colleges, two Agril. Engineering Colleges, two Food Science and Technology Colleges and one Community Science College along with 19 constituent Polytechnics and 48 affiliated Polytechnics.

## About the University

The Agricultural Union was established in the year 1954 to disseminate the new trends in Agriculture to the students and farming community through The Andhra Agricultural Journal. The Agricultural Union is a registered body located at the Agricultural College, Bapatla. The President of the Society is the Associate Dean of the College. The Journal is NAAS rated and published 73 volumes. The Union frequently organizes National Seminars/ Conference/ Workshops for the benefit of students and scientific community.

### ANGRAU-Agricultural College, Bapatla

ANGRAU-Agricultural College, Bapatla, established on 16$^{th}$ July 1945, is the second oldest in South India and an ICAR accredited Institute. The College is located 8 km away from Bay of Bengal in Bapatla district, Andhra Pradesh. The College has been one of the most reputed Agricultural Education Institutions in India and World with over 80 years of glorious existence in the fields of agricultural education, research and extension. The spectacular achievement of this College that deserves to be epitomized is the Mega Rice Variety BPT-5204 (Samba Mahsuri), a superior quality fine grain type and the most preferred rice variety of the consumers and farmers across the globe. The College offers B.Sc., (Hons.) Agriculture, Post Graduate and Doctoral degree programmes in nine disciplines of Agricultural Sciences. The aura of College stems from magnificent infrastructural facilities, technically advanced laboratories, knowledge resource centres, central instrumentation cell, on farm activities and devoted teachers with scientific temperament. The illustrious alumni of the College are contributring signigicantly in diversified fields worldwide.
